

PENRYN ROWING CLUB

Dear All,

This is advance notice of the Good Friday Race we hope to run from Boscawen Park Truro on Friday 3 April 2015.

Please note the new format – the race will start just outside the lock gates at Boscawen Park, around marks just Truro side of King Harry Ferry, back through the lock gates and finish in the usual place off Vickery Holman. With launch and retrieval both at Boscawen Park slipway, we avoid having to tow trailers from start to finish.

It will be a pursuit race, open to all oar or paddle powered craft (no sails or engines please...)

Timing to be confirmed, but slow boats will start first, fastest last, race briefing approx. 4pm, first boats away 5.00pm approx,

Entry fee £2.50 per rower to include entry into the raffle. Please have available at registration the number for one telephone contact per craft in case of emergencies on the water (this is the person who will be contacted to collect you in the event of any incident, so it should be someone on land, not someone in the boat who may also be involved....)

*Hot Food available in the Scout Hut at Boscawen Park on completion. Please note that alcohol may be consumed in the Scout Hut, **but not in the car park or Boscawen Park.***

With the change in format we do not anticipate needing to cancel due to weather, but any cancellation will be notified on Wed 1 April after 8pm (so not an April Fool...).

Please email expressions of interest (including type of boat and crew if possible so we can sort out the handicapping) ASAP (but in any event before Tues 24 March 2016) to penrynrowing@gmail.com. We can then let you know when we firm up on times etc.

Look forward to seeing you on the day.

*Lindsay
