

Weymouth Rowing Club

Invites you to attend the first ***Jurassic Fossils Regatta*** on Saturday 24th October 2015.

Timetable for the day...

Gigs Arrive from 8:00am

Cox'ns meeting at 9:30am

Racing starts at 10am

Prize giving will take place straight after the last race.

Gig Launching

Gigs will be unloaded/loaded from the public slipway in the inner harbour (near the Debenhams store on Commercial Road DT4 8NG) from 8:00am.

Clubs are asked to note there is now a launch fee of £10 per gig in Weymouth Harbour. This fee will be payable by visiting Clubs when registering their crews.

During the day gig trailers can be stored in the parking area around the public slipway.

Weymouth members will be on hand to assist in loading/unloading and the parking of trailers.

You will require a cox'n and rowers to row your gig round to the beach. There are a few local hazards which must be pointed out :-

- The Town Lifting Bridge – **stop** if red lights show
- Rowing boat ferries – these cross the harbour just past the Life Boat station and they don't tend to give way!

Car Parking

There is car parking available (fee payable) in the Swannery Car Park (DT4 7TY).

Racing

Racing will take place around a course in Weymouth Bay. We are going to trying out a new beach venue based just north of the Pier Bandstand (DT4 7RN).

Race Order :

Jurassic Fossils Trophy Races

Ladies Vets
Men's Vets
Ladies Super Vets
Men's Super Vets
Masters
Mixed Vets
Mixed Super Vets

Jurassic Fossils Finals

Ladies Final
Men's Final
Mixed Final

- Vets = over 40, Super Vets = over 50, Masters = over 60
- The boat with the fewest points from the seven Jurassic Fossils Trophy Races wins the overall trophy
- Masters: all crews must declare the number of ladies/men at registration. Crews with 4 or more men will be classed as a Men's crew, crews with 2 or 3 men will be classed as a Mixed crew, crews with 1 man and 5 ladies will be classed as a Ladies crew
- Depending on numbers attending, the Jurassic Fossils Trophy Races may be run in heats
- There will be progression for the top crews in each race to the finals – details to follow when we have an idea about how many boats will be attending
- Clubs will be asked to lend boats for the finals if needed.
